Please see the other side for all our current Altar Servers. Thank you for securing substitutes when your family schedules change. And thank you for stepping forward to serve when you do come to Mass and observe that we need you, especially for Holy Day and Holiday Masses.

In the coming months, we will be graced with brand new servers that are looking forward to learning from all of you who are experienced in your ministry. Thank you for YOUR continued assistance in getting these newbies comfortable in their spots on the Liturgical Team.
